Cutting Edge Elementary (Level 3)
PT1 Review

Reading

A. Questions 1 to 4. Read the text. Choose the correct answer.

Ken Smith is from Ireland, and he is an engineer. Many people in his family are also engineers. Both his parents are engineers: his father works in a workshop, and his mother works at a district hospital. His grandfather was a maintenance engineer working for the government, and his uncle is a mechanical engineer and runs his own automotive company. Ken has a sister and she is also an engineer; she is an aerospace engineer. Ken has a young son, I wonder what job he will do!

1. Where does Ken's mother work?

- at a district hospital
- in a maintenance company
- in an automotive company
- in a workshop

2. Who runs their own company?

- Ken's uncle
- Ken's sister
- Ken's mother
- Ken's grandfather

3. In what field does Ken's sister work?

- chemical engineering
- lab engineering
- mechanical engineering
- aerospace engineering

4. What is this text about?

- Ken's family
- business and marketing
- hospitals
- Ireland

B. Questions 5 to 8. Read the text. Choose the correct answer.

Are you always bored in the holidays? Choose one of our fantastic holiday courses. Have fun, learn something new, and make new friends. All our courses are for ten days. Come and book right away!

Course A: Fishing

All you need to know about fishing. Don’t bring equipment; we will give you everything you need. The course takes place in a beautiful area, and we will go fishing in every type of weather, in the morning, during the day, and at night, too! You will learn all about fishing in groups of four, so you can make new friends, too!

Course B: A taste of Brazil

Do you like Brazilian food? Do you want to learn how to prepare and cook it? This course shows you how to make simple but tasty dishes. We will provide all the ingredients for delicious traditional Brazilian food. We will also organize an amazing dinner party for four of your friends at the end of the course!

5. The courses are _____ days long.

- True
- False

3. Lucas Dos is 50 years old.

- True
- False

4. Karol Bolewski is 56 years old.

- True
- False

B. Questions 5 to 8. Read the text. Choose the correct answer.

Adele

Adele is a famous singer, and you probably know many of her songs. She comes from East London, England and she still lives there. She has just finished a European tour including countries such as Germany, Spain and France. She lives a busy life and is always working, but she finds time for her hobbies. She has some dogs, and she likes to go out with them for walks. She used to ride horses when she was young, but she doesn't do that now. She has to do lots of interviews for her work, but she does not like doing them. She has never been good at art or drawing.

Adele loves singing and enjoys making videos for her songs. She always has lots to do and starts early in the morning, so she doesn't like going to bed late. Adele often dresses-up in costumes for her videos, often they are very expensive and made by designers, but they are just for the videos. She actually likes to wear simple clothes, not brightly coloured or expensive clothes.

5. Where is Adele from?

- Germany
- West London
- France
- England

6. What does Adele like doing now?

- drawing
- horse riding
- doing interviews
- walking her dogs

7. What doesn't Adele like doing?

- making videos
- going to bed late
- walking her dogs
- singing

8. What does Adele like wearing?

- simple clothes
- expensive designer clothes
- yellow clothes
- orange clothes
